

CULTURE BLOCKS

Charlotte Mecklenburg Library & Mecklenburg County Park and Recreation Partner Facilities Contact List

Funded by Mecklenburg County, Culture Blocks is a partnership between ASC, Charlotte Mecklenburg Library and Mecklenburg County Park and Recreation to support art, science, history, and heritage experiences that take place closer to where residents live. For this purpose, the libraries, parks, and recreation centers located in the Culture Blocks program areas offer space and support to cultural program providers at no cost.

For assistance securing space for Culture Blocks programming, please contact the appropriate staff person listed below. There is one staff person at each location who serves as the point of contact for program providers. Program providers should include the appropriate Culture Blocks liaison on all email communication to library branch, park, and/or recreation center staff. If you are referred to a different staff person than the contact listed here, please contact the respective liaison directly.
